Friends and Neighbours  
Charles Street E. and Hayden Street  
Toronto, Ontario

Dear Neighbour,

Thank you for attending our meeting on November 6<sup>th</sup>. We wish to welcome you as a member of our newly formed Charles Area Neighbours Alliance.

Our neighbourhood organization boundaries are currently, Charles Street East and Hayden Street, with Yonge Street to the west and Church Street to the east. This small geographical area has a large population of residents and visitors, which is densely populated by many high-rise condominium buildings and street level businesses.

The Charles Area Neighbours Alliance (CAN-Alliance) is a volunteer organization of residential members and business neighbours, committed to the strengthening of the security and quality of life in our area. *Our immediate mandate is to address the serious and severe safety issues* which are affecting the local population, businesses and visitors to our neighbourhood.

Soon, you should receive a communication from Giovanna Costa to confirm the member details of your chosen representative. In the meantime, we are working hard to ensure our joint interests are moved forward in a timely manner.

Thanks for your continued support.

Regards,

Trevor Laingchild
